

# Hopes & Fears

**Andy & Lynda**

Scouts 

# Hopes & Fears

## Definition

- Hopes – expectation of something desired
- Fear – Panic, distress, dread or anxiety caused by a sense of danger

#DreamWild

#UK25WSJ

# Fears

What did I worry about?

- Money
- Time
- Location
- Friends
- Distance from home
- New leaders taking my young person to a foreign country
- Unknown

#DreamWild  
#UK25WSJ

# Fears

- You are NOT alone
- You are perfectly normal
- Your fears will rise and fall throughout the journey
- Please talk to us – we can't address concerns we don't know about

**What are your fears for  
25WSJ?**

① Start presenting to display the poll results on this slide.

# Hopes

What were my hopes?

- She makes new friends
- She returns as a more confident person
- That the journey she takes allows her to grow as a person holistically
- She experiences new cultures and people from around the world
- She has the most amazing time
- Lastly that she might every now and again send me a WhatsApp!
